P.O. BOX 5812 PROVIDENCE RHODE ISLAND 02903 (401) 556-8662 www.MusicOneRi.com

Nov. 18th 2020

Greetings,

Music One has begun planning it's **18th Annual CD Release Dinner & Showcase** to be held on Thursday, December 17th from 7-9 pm **Live Via Zoom.** This event is one of our most significant fundraiser's of the year and will showcase the exceedingly talented Music One artists from across New England, performing songs from their new CD **"Together We Can"**. We are inviting you or your corporation to become a sponsor of this outstanding event.

Music One is an innovative program designed to support and educate youth by cultivating their talents through creating positive original music and multi-media projects while providing mentoring, leadership development and empowerment. We want to establish their presence as viable contributors in their schools and communities with the **"*Power of Positivity*".**

Currently, Music One has satellite programs running via zoom at High Schools, Middle Schools, Recreation Centers and Colleges across this great state of Rhode Island and it's neighboring communities. Students participating in the Music One programs also produced the Award Winning Music One Television program featured on Cox Cable channels 13 & 18 which ran from 2004-20018 (winning the best arts and entertainment program for 10 years) as well as the Music One Hosted Radio Show on WBRU360.COM
-101.1 FM Sunday mornings from 7-11am.

Our programs will require ambitious fundraising goals for 2021 and we are working hard to secure corporate support. Your financial support of the Music One program will enable us to meet the growing number of students we serve.
This is a free evant but donations will be accepted.

Let's continue to support our youth with the "*Power of Positivity*". Attached please find a detailed list of sponsorship opportunities. I will contact you in the coming weeks to secure your sponsorship.
One Life, One Love, One Community, Music One

Thank You,

Terrell A. Osborne Sr.
Executive & Artistic Director
